GETTING STARTED

KW CLUB HUB FOR CLUBS

The key steps at a glance. Highlighted terms are buttons and fields, exactly as they appear on screen.

01 SET UP YOUR ACCESS

Once, after KW Sports invited you.

1. Open the email "Your access to KW Club Hub" from KW Sports.
2. Click **SET UP ACCESS**. KW Club Hub opens.
3. Click **SET UP ACCESS** once more on that page.
4. Enter your new password twice: at least 10 characters, with letters and numbers. The check marks show when everything fits.
5. Click **SAVE PASSWORD**. You land straight on your club's overview.

Tip: The link is valid for 24 hours. Expired? Let KW Sports know and you'll get a new one.

02 SIGN IN AND CHOOSE YOUR LANGUAGE

Every time after that.

1. Open KW Club Hub (best saved as a bookmark).
2. Enter **EMAIL** and **PASSWORD** and click **SIGN IN**.
3. Change the language: click **DE** **EN** **FR** **ES** at the top right. On a phone it's in the **MENU**.

03 READ THE OVERVIEW

Your home page: what matters today.

1. At the top you see four numbers: **PLAYERS IN SQUAD**, **ACTIVE NEEDS**, **GAPS** for next season and **NEW KW SUGGESTIONS**. Each number is clickable.
2. Under **TODAY** you find the next tasks, each with a button: **VIEW** for new suggestions, **CREATE NEED** for a gap, **CONFIRM** for a need that hasn't been confirmed for a while.
3. The **SQUAD** tile shows next season's positions: blue = well covered, white = only one player, dashed = gap. **OPEN SQUAD** takes you to squad planning.
4. At the bottom you see your needs. Click a card to open the need.

04 ADD A PLAYER

Name, position and contract end are enough.

1. Click **SQUAD** in the menu, then **ADD PLAYER**.
2. Enter **FIRST NAME** and **LAST NAME**, optionally the **SHIRT NUMBER**.
3. Choose the **MAIN POSITION**. Optional: **CAN ALSO PLAY** for positions he can cover, and **DEFENSIVE POSITIONS (6:0)**.
4. Enter the end of the contract under **CONTRACT UNTIL**. Contracts end on 30 June at the end of the season.
5. Click **ADD PLAYER**. The player appears on the tactics board right away.

Tip: Your squad is visible to your club only. KW Sports and agencies don't see it.

05 IMPORT YOUR SQUAD FROM EXCEL

Bring in the whole squad in one go.

1. Click **SQUAD** in the menu, then **IMPORT FROM EXCEL**.
2. No suitable list? Click **DOWNLOAD TEMPLATE**, fill in the players and save it.
3. Drag the file (.xlsx or .csv) into the box or click **CHOOSE FILE**.
4. Check the preview: untick **INCLUDE** for players you don't want to import. Skipped rows are listed at the top with the reason (e.g. "Position not recognised").
5. Click **IMPORT PLAYERS**. Done.

Tip: Required columns are name, position and contract until. Please save old .xls files as .xlsx in Excel.

06 READ THE TACTICS BOARD AND GAPS

See where you'll be short in the coming seasons.

1. On the **SQUAD** page, choose the season at the top, e.g. **2027/28**.
2. Switch between line-ups with **ATTACK** and **DEFENCE 6:0**.
3. The circles show how many players are under contract for that position in that season: blue = covered (2+), white = thin (1), dashed = gap.
4. On the right, **ACTION NEEDED** lists all thin positions and gaps. **CREATE NEED** opens a new need with that position and season already filled in.

07 CREATE A NEED

Tell KW Sports which position or coach you are looking for.

1. Click **NEW NEED** in the menu.
2. Step 1 **TYPE & POSITION**: choose **PLAYER** or **COACH**. For players, tap the positions on the court and switch with **ATTACK** and **DEFENCE 6:0**. Several positions are possible. Then **NEXT**.
3. Step 2 **TIMING & STATUS**: choose the season, **NEEDED FROM** and **PRIORITY**. **NEXT**.
4. Step 3 **PROFILE** (optional): age, height, player type, languages, league experience and a **SHORT BRIEF**. The more precise, the better the suggestions fit. **NEXT**.
5. Step 4 **BUDGET & CONFIDENTIAL** (optional): enter a budget. The field **CONFIDENTIAL · KW SPORTS ONLY** is for things only KW Sports should know, e.g. salary range or preferred candidates.
6. Click **CREATE NEED**. KW Sports and the partner agencies can now see the need.

Tip: Partner agencies also see the short brief and the budget. Only the confidential field stays with KW Sports.

08 VIEW A SUGGESTION FROM KW SPORTS

KW Sports suggests matching players with profile and CV.

1. You get an email. Or click **KW SUGGESTIONS** in the menu (the number shows new suggestions).
2. On the left: the player with photo, age, height and contract. The tactics board shows his positions, blue = fits your need.
3. Under **WHY THIS SUGGESTION** you see which of your wishes he meets: check mark = fits, question mark = not known yet.
4. Click **OPEN CV (PDF)** for the full CV with statistics. The game videos are linked directly in the CV.
5. **WATCH VIDEO** opens the highlight video, if there is one.

Tip: Suggestions are confidential and visible to your club only. Please don't share them.

09 ANSWER A SUGGESTION

One click is enough.

1. Optionally add a note for KW Sports, e.g. salary range, timing or a request for a trial.
2. Click **INTERESTED** or **NOT INTERESTED**.
3. If you're interested, KW Sports gets in touch with you.
4. Changed your mind? Click **CHANGE ANSWER** on the suggestion.

10 WHO SEES WHAT?

Your data stays with you.

1. **SQUAD**: your club only.
2. Needs: KW Sports and the partner agencies, so they can find matching players. Other clubs don't see your needs.
3. The field **CONFIDENTIAL · KW SPORTS ONLY**: KW Sports only.
